

Math and Science Middle School Teacher 2026-27 School Year

We are seeking a passionate, innovative, and faith-filled Middle School Math/Science Teacher to be a founding member of our middle school team. The ideal candidate will foster a love for mathematics and science, encouraging students to think critically, solve problems creatively, and explore real-world applications. This role involves teaching math and science while cultivating a classroom environment that supports academic growth and spiritual development.

WHO WE ARE

The Middle School at Cristo Rey is opening with its first 6th grade class for the 2026-2027 school year. We will be adding an additional grade level each year. We are committed to preparing students to thrive academically, spiritually, and professionally. Our rigorous curriculum, supportive environment, and faith-based education provide students with a strong foundation for success in high school and beyond. We believe in fostering curiosity, critical thinking, and character development in every student.

Our school community is built on the following principles:

- **Academic Excellence** - We provide a challenging and engaging curriculum designed to meet the developmental needs of middle school students in order to accelerate learning. Our teachers work collaboratively to support students in achieving high academic standards and developing essential skills necessary for success at Cristo Rey Columbus High School and beyond.
- **Student Growth and Development** - Middle school is a time of exploration and growth. We emphasize executive functioning skills, faith formation, and character development. We are committed to nurturing integrity, empathy, and responsibility in our students.
- **Catholic Identity** - At the heart of the Cristo Rey Columbus community is our faith in Jesus Christ, and a commitment to nurture the faith of all students. This all happens in an atmosphere of mutual respect and concern for all members of our Cristo Rey Columbus community – students, teachers, staff, and families.
- **Diverse Community** - We value and are proud of our diversity. Our families represent a wide range of cultural backgrounds, and we view this diversity as a strength that enriches our school community.
- **Professionalism** - In preparation for participation in the Cristo Rey Columbus High School Work-Study Program and beyond, we focus on building student confidence and interpersonal skills.
- **An Education That Makes a Difference** - Our school's mission is to serve students from low to moderate household incomes who would not typically be able to afford a private school experience. By opening these doors, our students are given the tools they need to overcome challenges, achieve their goals, and set themselves up for a lifetime of success.

WHO YOU ARE

You are a high-energy, positive, and flexible educator who is excited to take on the mission of shaping young minds during a pivotal stage of their development. You are a dedicated professional committed to creating and sustaining a culture of high expectations and support for all students. You demonstrate strong classroom management skills, ensuring a safe, structured, and engaging learning environment where every student can thrive. You bring enthusiasm to the classroom, adaptability to meet diverse student needs, and a collaborative spirit to work with colleagues and families. You believe in fostering curiosity, confidence, and character in every student. You demonstrate a commitment to Cristo Rey's mission and Catholic, faith-based education and you approach each day with optimism and a growth mindset.
