

# ABOUT THE EVANS SCHOLAR PROGRAM

**The Evans Scholarship is a full housing and tuition college scholarship awarded to golf caddies with limited financial means. Evans Scholars are selected on the basis of strong caddie record, excellent grades, outstanding character and demonstrated financial need. Individuals who complete the three-summer WGA Caddie Academy program qualify to apply.**

**Cristo Rey Columbus High School is proud of our three female caddies who are 2026 recipients of the Evans Scholarship.**
